

Plants recorded on July 14, 1999 in transect area, Griffin Island
by A. Ceska and H. Roemer

Oak Bay Islets

Plants listed by both AC and HR, confirmed
to be inside transect area
Species are ranked 1 (highest cover) to 9 (lowest
cover)

- 1 *Camassia leichtlinii* - great car
- 1 *Carex inops* - long-stoloned s
- 1 *Leymus x vancouverensis* - *Leymus mollis* and *L*
- 2 *Festuca rubra* - red fescue, robust taxon
- 2 *Poa pratensis* - Kentucky bluegrass
- 2 *Sanicula crassicaulis* - Pacific sanicle
- 3 *Holcus lanatus* - velvetgrass
- 3 *Juncus arcticus* - arctic rush
- 4 *Achillea millefolium* - yarrow
- 4 *Hypochaeris radicata* - hairy cat's ear
- 4 *Rumex acetosella* - sheep sorrel
- 5 *Allium acuminatum* - Hooker's onion
- 5 *Bromus sterilis* - barren brome
- 5 *Elymus glaucus* - western wild rye
- 5 *Festuca rubra* - red fescue, narrow-leaved, smaller taxon
- 5 *Lomatium nudicaule* - Indian consumption plant
- 5 *Plantago lanceolata* - ribwort plantain
- 5 *Rubus ursinus* - trailing blackberry
- 5 *Vicia americana* - American vetch
- 6 *Bromus carinatus* - California brome
- 6 *Fritillaria affinis* - chocolate lily
- 6 *Taraxacum officinale* - dandelion
- 6 *Triteleia hyacinthina* - fool's onion
- 6 *Zygadenus venenosus* - death camas
- 7 *Brodiaea coronaria* - harvest brodiaea
- 7 *Cerastium arvense* - field chickweed
- 7 *Cynosurus echinatus* - hedgehog dog-tail grass
- 7 *Grindelia integrifolia* - gumweed
- 7 *Piperia maritima* - seaside rein orchid
- 8 *Aira praecox* - little hairgrass
- 8 *Bromus hordeaceus* - soft brome
- 8 *Geranium molle* - dove-foot geranium
- 9 *Aira caryophylla* - silver hairgrass
- 9 *Aphanes arvensis* - field aphanes
- 9 *Koeleria macrantha* - junegrass
- 9 *Lilium columbianum* - Columbia lily

Additional species listed by AC, likely all on
edges or outside transect

- Allium cernuum* - nodding onion
- Armeria maritima* - sea thrift
- Atriplex patula* - orache
- Bromus rigidus* - rip-gut brome
- Cakile edentula* - searocket
- Camassia quamash* - common camas
- Carex brevicaulis* - short-stemmed sedge
- Deschampsia cespitosa* (beringensis) - tufted hairgrass
- Distichlis spicata* - Alkali saltgrass
- Franseria chamissonis* - silver burweed
- Lotus micranthus* - small-flowered deer-vetch
- Luzula multiflora* - field woodrush
- Polygonum aviculare* s.l. - doorweed
- Pucynellia pumila* - dwarf alkaligrass
- Sagina* (small) - pearlwort
- Sedum lanceolatum* - lance-leaved stonecrop
- Selaginella wallacei* - Wallace's selaginella
- Sonchus oleraceus* - sow thistle
- Spergula macrotheca* - beach sandspurry
- Symphoricarpos albus* - common snowberry
- Vicia hirsuta* - hairy vetch

Additional species listed by HR as "on edges
of, or outside transect area"

- Allium cernuum* - nodding onion
- Satureja douglasii* - yerba buena
- Vicia hirsuta* - hairy vetch
