Dear Chris Hisinger.

As requested by you I am enclosing a list of the flowers we saw in bloom on Woodley Ridge, I have included the shrubs we also saw. We had a lovely visit to the Eco-Reserve thanks to you and the guidance of Gary & Les Bucklund, even the weather was perfect.

Perhaps if we are allowed to visit the Reserve again at some future date, it would be great to see the area later in the summer.

Thank you again for your kindness we appreciate the privilege you granted us.
 Have a great Summer.

Sincerely
 Betty Barnes.
